- You can clarify the terms of your original request to allow this to be looked at again (if you expand your request this will be dealt with as a new request)
- All applicants have the right of appeal. An appeal should be focused on the original request and should identify how the Trust's response failed to answer your Information Request. Appeals must be made in writing to the FOI Manager at the address above.

After the Trust's internal appeals procedure has been exhausted, a further appeal about the same information request can be directed to the Information Commissioner for adjudication. Appeals to the Information Commissioner should be sent for review to the following address:
